1. INTRODUCTION

This policy accepts the definition of SEN as set out in s20 of the Children and Families act 2014. It reflects the approach to and arrangements for SEN outlined in the Children and Families Act 2014.

2. SPECIAL EDUCATIONAL PROVISION AT THE COURTYARD

- 2.1 The Courtyard is a special school for pupils aged 13-19. Pupils at The Courtyard all possess an EHCP for autism spectrum disorder and/or speech, language and communication needs. Many pupils at The Courtyard also have additional difficulties (e.g. physical, sensory, communication and emotional/behavioural).
- 2.2 Admissions to the school are managed by the school in consultation with local authorities. Pupils are accepted throughout the academic year. We implement transition programmes for all pupils prior to placement. Placements at The Courtyard are kept under constant review and specifically through the Annual Review process which monitors the pupils EHCP. The school accepts pupils from Islington and surrounding boroughs if the placement is felt to be appropriate and places are available (See The Courtyard Admissions Policy).
- 2.3 The Courtyard has been designed and built to have provision and accessibility for people with disabilities so that they may be integrated fully into The Courtyard life (See the Disability and Accessibility Plan/Policy).

3. AIMS

- 3.1 To know each individual pupil as thoroughly as we can, including any circumstances which might affect their well-being, behaviour and performance at any moment in time. This includes taking a long-term view of each pupil, visualising the best possibilities for each, and knowing when they are ready to take the next (challenging) step.
- 3.2 To ensure we always see, first and foremost, the child and not the disability and to ensure that education (and not care) remains paramount. This will include identifying what motivates each child, to be aware of any barriers to learning, and use that knowledge to encourage them to 'have a go' for themselves.
- 3.3 To ensure that pupils feel safe, secure and comfortable to enable them to focus on learning, ensuring staff have clarity and act on policies and procedures.
- 3.4 To maintain high but realistic expectations for each pupil, enabling the development of independence.
- 3.5 To ensure that each pupil has a personalised curriculum which is tailored towards the specific needs of each individual pupil.

- 3.6 To work effectively with St Mary Magdalene Academy to offer a range of academic subjects which our pupils can access with the direct support of The Courtyard staff.
- 3.7 To offer opportunities and experiences for pupils to learn in a multitude of different ways and through a rich, varied and individualised curriculum.
- 3.8 To ensure that all pupils are engaged in learning activities appropriate to their abilities.
- 3.9 To encourage pupils to monitor their progress and to take responsibility for their own behaviour and learning.
- 3.10 To give pupils an equal voice in, and ownership of, their education so that they are able to express opinions, choices and preferences, promoting their independence, confidence and self-efficacy.
- 3.11 To use individuals' interests, skills and experiences to enhance the education of pupils and staff.
- 3.12 To learn and share information, to the benefit of our pupils through mutually supportive relationships with parents, specialists and outside agencies.
- 3.13 To ensure that safeguarding procedures are in place to protect pupils from harm and neglect (please see the Safeguarding and Child Protection policy for more information).

The review also looks briefly at likely needs post 18 when social services and health authorities assume lead responsibility for meeting needs.

11. PLANNING AND ASSESSMENT AT THE COURTYARD

11.1 The Courtyard aims to provide a broad, balanced, relevant and progressive curriculum for each pupil, the aim of which is to include all of the pupils in the process wherever possible.

Agreed and implemented systems of planning, assessment, recording, evaluating and reporting are a prerequisite to delivering this curriculum in a professional, efficient, effective and consistent manner throughout the pupil's school years.

11.2 In planning and assessment, particular consideration is given to relevance and progression in order to meet the learning difficulties of the pupils in our school.

11.3 Planning

11.3.1 Teachers are responsible for producing termly and weekly teaching plans linked to the chosen adopted curricula in their area. The planning must form a coherent, relevant and comprehensive learning package. Teachers at The Courtyard use the method of backwards planning which involves the desired learning outcomes being at the forefront of the lesson construction. All of the lesson components are focused on how best to support each pupil to achieve the learning outcome.

11.3.2 The reference points are:

11.3.2.1 targets set at the Annual Reviews;

11.3.2.2 individual academic targets;

11.3.2.3 assessment information;

11.3.2.4 The Courtyard schemes of work and other adopted curricula; and

11.3.2.5 school and departmental policies, coverage plans and schemes of work.

11.3.3 The components of planning are:

- 11.4.6 Teacher assessments of individual pupil's curriculum needs take place termly with the support and advice of therapists and other specialists where appropriate, and will refer to:

Annual Reviews are implemented in accordance with the advice contained in the 1993 Education Act – Code of Practice – Special Educational Needs. Parents/Carers receive an Annual Review Form and Report completed by the Headteacher and other professionals. Parents and pupils are encouraged to comment on the report and review. Review meetings take place at The Courtyard and are chaired by the Headteacher/Deputy Headteacher. Parents and other professionals are invited to attend. Agreed recommendations are minuted and sent to all present at the review.
- 11.4.9 Informal assessment by the teachers takes place during the course of learning activities. Teachers and teaching assistants record and store this by keeping daily notes of observations and the outcomes of learning activities in the pupil's books/on the planning sheets. These notes are used to inform future planning and target setting at the Annual Review. Annotated photographic evidence is used as part of the assessment method.
- 11.4.10 Statutory assessment arrangements for those pupils who access KS4 & KS5 examinations are carried out in accordance with the current guidance provided by the relevant examination boards.
