## **The Courtyard Fortnightly Newsletter - Friday 16 December 2022**

**Students at the Courtyard undertook a number of assessment tasks in their subjects this term. Through these assessments staff were able to monitor the learning and development of students as well as putting a number of action plans in place to support students in achieving the best of their ability in the Spring term. The achievement of students had been discussed with parent/carers during the 'Parent Meetings' that took place last week. Further to these meetings the school will share reports with parent/carers today by email.**

**All pupils at The Courtyard did extremely well, with students achieving and making progress that is significantly better than expected. We are incredibly proud of our students for their spectacular results; all their hard work has certainly paid off! These results are an important recognition of the hard work of students and staff, but also show that having a rich and exciting curriculum, alongside high expectations and great teaching, make a real difference to how well children do. The staff at The Courtyard are committed to ensuring that we provide a rich curriculum that will remain an integral feature of our school.**

**Wishing our students, parent/carers and the Courtyard community a very merry Christmas and a safe, healthy, and prosperous new year!**

**Students are expected to return to school as normal at 8.55am on Wednesday 4th January.**

The Courtyard aims to offer an outstanding educational and social provision that will equip our students with the skills and experiences needed to discover and live out their potential.
