Date of pupil premium review:	July 2019		

Pupil Premium Profile 2019-2020	
Number of eligible pupils:	16
Amount per pupil:	£935
Total pupil premium budget:	£14,960

Executive Summary	
<p>The Courtyard SLT and governors made an executive decision to allocate Pupil Premium funds to a range of educational and social development areas to best benefit the pupils who were eligible for Free School Meals.</p>	
<p>The aim of the strategic allocation of Pupil Premium funding is to support the development and progress of all pupils whilst reducing the gap between the achievements of disadvantaged pupils and their peers. It is recognised that pupils with ASC and a complexity of other needs, have significant difficulty in accessing the curriculum and making progress. Any needs regarding social, emotional and mental health need to be acknowledged and supported in order for the young person to access their learning and achieve their potential.</p>	
<p>The Courtyard SLT and governors allocate a significant percentage of Pupil Premium funding to CAMHS, Speech and Language and Counselling support within the school. Through a range of interventions, staff training and team teaching, all external services can support the development of the health and wellbeing of all pupils. The progress achieved by FSM pupils can be measured against their Appendix A targets.</p>	
<p>Last year (2018-2019): 62% of PP pupils made expected or more than expected progress compared to 85% of non-PP pupils in English. 69% of PP pupils made expected or more than expected progress compared to 65% of non-PP pupils in Maths.</p>	

The IDL Literacy programme saw PP pupils make on average 1 year and 2 months progress in their reading ages and 1 year and 1 month progress in their spelling ages.

The non-PP pupils made on average 1 year and 4 months progress in their reading ages and 8 months progress in their spelling ages.

Date of next review: June 2019
