<b>Total pupil premium budget:</b>	£21,505

<b>Executive Summary</b>	
<p>The Courtyard SLT and governors made an executive decision to allocate Pupil Premium funds to a range of educational and social development areas to best benefit the pupils who were eligible for Free School Meals.</p>	
<p>The aim of the strategic allocation of Pupil Premium funding is to support the development and progress of all pupils whilst reducing the gap between the achievements of disadvantaged pupils and their peers. It is recognised that pupils with ASC and a complexity of other needs, have significant difficulty in accessing the curriculum and making progress. Any needs regarding social, emotional and mental health need to be acknowledged and supported in order for the young person to access their learning and achieve their potential.</p>	
<p>The Courtyard SLT and governors allocate a significant percentage of Pupil Premium funding to CAMHS, Speech and Language and Counselling support within the school. Through a range of interventions, staff training and team teaching, all external services can support the development of the health and wellbeing of all pupils. The progress achieved by FSM pupils can be measured against their Appendix A targets.</p>	
<p>Last year (2019-2020* COVID impeded): 67% of PP pupils made expected or more than expected progress compared to 76% of non-PP pupils in English.</p>	

64% of PP pupils made expected or more than expected progress compared to 77% of non-PP pupils in Maths.

Due to the impact of Covid, evaluation of the IDL literacy programme will take place at the end of the next academic year.

Date of next review: Sept 2021
